

ChatHealthy FindCare v0.1.2

QA Report - Pre-Alpha Release

Saturday 2026-03-28

Welcome to ChatHealthy FindCare

Here's what I can help you with:

- Find a doctor ? search for providers by specialty or condition
- Delaware
- Mississippi
- Virginia
- Get provider details ? credentials, license, NPI data, and research links
- Identify the right specialty ? not sure what kind of doctor you need? Describe your situation
- Clinical trials ? find recruiting research studies for any condition
- Find distance and travel time from any location to trial sites
- About ChatHealthy ? our mission, team, and platform
- Contact us ? request a follow-up from the ChatHealthy team
- Ask anything ? if I can't answer, I'll record your question and offer to connect you with someone who can
- Emergency detection ? if you appear to need emergency care, the chat will lock and direct you to call 911, w
- HIPAA-like consent ? we seek your consent before storing any identified or de-identified user data

If you think you may be having a medical emergency, tell me right away.

What can I help you with today?
